Miss Ethel (proudly) -"I'm

How do Sleep-Walkers See? WATCH!

Professor Fischer describes a renarkable case observed by himself, A young man, apparently of a hale the case—costs nothing extra.

The great watch saver. Saves the watch from thieves and falls—cannot be pulled off the case—costs nothing extra. constitution, and far from exhibiting any symptoms of a nervous temperament, was habitually subject to somnambulism. His fits came on regularly about ten o'clock at night. The scene was a large apartment, containing sixty beds in four rows. He ran about violently. omped, wrestled, and boxed with his companions, who enjoyed the sport at his expense.

feetly well remember that, while unning, he always held his hands before him, with his fingers stretched out. He was remarkably agile, and would leap over beds, and his companions could scarcely ever catch him. When he escaped through the door, he flew through gallery to his own room.

"There he rested, frequently taking up a book and reading softly, Silver and or with a loud voice conducting-if my recollection serves me accurately -his outstretched fingers over the Umbrellas, lines. His eyes were alternately open and closed; but even when s open they were incapable of vision, being convulsively drawn upward, showing only the white.

"The general belief that somnambulists see by means of the points of their fingers, as well as the observation that, while running. our somnambulist always carried his hands and outstretched fingers before him as if these were his organs of sight, as also his reading (as it appeared to us) by means of the points of his fingers, led us to the idea of tying gloves upon his hands and stockings upon his legs.

"Besides, we had been informed From Monday morning until Saturday evening. You will find us on hand to supply you with any-ing in that during his nightly wanderings he had been known to play at skittles-a game he was very fond of when awake-and that he had always accurately counted the number of pins knocked down by stretch-TEAS and COFFEES ing out his fingers in the direction We are acknowledged to be the leaders and can towards them, so correctly, indeed, Port Huron Marble Works that it was impossible to deceive or

impose upon him. Fresh Butter & Eggs "In short, we seized the opportunity of his most profound sleep and insensibility to tie on the gloves and stockings. At the usual time he rose up and sprang out of bed but although we began to tease and provoke him, he did not move from the spot, and groped and tumbled about like a blind or drunken man.

"At length he perceived the cause of his distress, and took off the gloves. Scarcely were his hands Frank C. Holmes, gloves. Scarcely were his hands uncovered when he started up in a lively manner, and threw the gloves with ironical indignation upon the ground, making a ludicrous observation upon the means taken to blind him; and then began to run about the room as usual."-Ex.

The Domestic Catechism

In Alpena and Alcona Counties, The other day a thin, tired-looking man entered the office of a \$2.00 to \$5.00 per acre. printing-house, and, approaching Title perfect. Convenient to markets and schools.

the proprietor said: "I want to have a list printed. Suppose you write it down as I tell

The proprietor made ready, and the man said: "Yes, I'm sure I locked the front door. Have you

got that?" "Yes; but I don't understand." "Never mind; don't interrupt me till I have finished. Are you ready.'

"Yes." "I turned out the light in the

bath-room. "All right; I've got it." "The kitchen windows are fast-

"Yes." "The dog is in the cellar."

"Yes." "The servants are all in." "Yes." "The stable door is locked."

"Yes." "The kitten is out of doors." "Yes."

"No I do not smell smoke." "Yes." "No, the water is not running in

the bath-room.' "Yes." "I do not think I bear any one trying to get into the house.'

"Yes. "No, that is not our dog barking t's the one next door." "Yes."

"It is not necessary to go down and see if the cellar door is fastened. I know it is."

"That is nobody-it is only the wind rattling the shutters."

"Well, I think that's about all. A true copy.)

Here's the Idea Of the Non-pull-out Bow

The bow has a groove on each end. A collar runs down inside the pendant (stem) and his into the grooves, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

Can only be had with cases stamped with this trade mark, Jas. Boss Filled Watch Cases are s companions, who enjoyed the now fitted with this great bow (ring). They look and wear like solid gold cases. Cost only about half as much, and are guaranteed for twenty years. Sold only through watch dealers. Remember the name

He Threw Away the Cigar.

"George," she said softly, as she looked trustingly into his eyes. "What is it, dearest?" he asked, tenderly.

"Don't you think, George," said, slowly, "that you had ter throw away that eigar?" "Do you object to smoke, pet?"

he asked. "Oh, no, George, dear George; not at all," she replied, quickly.

rather like the smell of a good eigar, but-but-" "Does your mother object to eigar smoke in the house?"

"Oh, no; papa smokes here the time, but-but-but-" "But what, dearest?"

"But you are so forgetful, George, and-and-if you should forget to take the cigar out of your mouth you might-even a slight burn on my cheek, you know, would cause Between this and the other side of the broad Atcomment."

The cigar went into the grate, ing but a blush on a fair cheek to

resting themselves at a country tavern not long ago.

The deserter amused his guardians with several entertaining sleight-ofhand tricks, but being encumbered with handcuffs, complained that he could not display his skill to advantage, and requested to have his hands at liberty, whilst he exhibited a trick which he described.

This being agree to, he proceeded to tie the hands of the three soldiers and his own together with a handkerchief, and he was to loose the four with one motion simultaneous-

The magic knots were tied, but they all remained firm except the the one which held the deserter. This came asunder with a touch, when he lifted up the sash and darted through the window, leaving FRUITS. his keepers raging at each other like ill-coupled hounds.

The deserter has not been seen

Blinding a Shark.

A successful diver must possess great courage and nerves of steel. Sach a man, connected with a large fishing company, was visiting the pearl fisheries in the Gulf of Cali- Everything Best Quality. fornia. On one of his trips in quest of the pearl oyster, he had a narrow escape from a fearful death.

He had been instructed never to stir from the bottom until he had looked up and around. Fortunately he heeded the advice. Having filled his bag, he glanced quickly about, and caught sight of a huge, shovel-nosed shark watching him. In an emergency men think fast.

O. L. PARTRIDGE.

Real Estate Agent

Rooms 4, 5, Davison Block.

Time was precious, and the diver conceived the idea of blinding the shark by stirring up the mud. He worked for dear life, and had the
